SUBJECT: Critique of Reorientation in Supervisory
Responsibilities Program - 9 June 64 Session

1. I was pleased to have the opportunity to attend the program on Supervisory Responsibilities. I found it quite informative and believe it should be repeated periodically.

2. I have no real comment of the concepts promulgated by the several speakers. I wonder if this program or a modification of it might not be helpful to non-supervisory personnel. In this way, the supervised would be mindful of action to be expected from their supervisor.

3. I would like to suggest that the remarks of the speakers, together with the questions and answers submitted during the program, be printed and distributed in the form of a handbook for supervisors.
